## DIVERSITY

Through its diverse offering of Windows® and Android™ based tablets, ranging from budget friendly to the ultra-rugged, high performance workhorse, MobileDemand provides reliable, mobile solutions to serve a wide range of businesses needs.

## MOUNTING

MobileDemand's ingenious Quick Release Snap Mount System is a key feature, setting it apart from the competition. Every tablet includes the unique snap rail, so mounting to desks, walls, vehicles, forklifts, tripods and much more is simply a snap!

## CONVENIENCE

Several convenient features come standard with most tablets, including an easy carry briefcase handle and back hand strap along with MobileDemand's versatile snap rail. Sealed ports add another level of protection from the elements.

## PRODUCTIVITY

The MobileDemand family of rugged tablets empower the front line worker to achieve more. Scan barcodes, receive payments with a mobile point of sale module, read credit cards or gather personal information with a magstripe reader, take 3D imagery and more.
